November 2019 Crooked Lake Area Lakes Newsletter

2020 BOARD MEMBERS

Meet your commissioners:
Matt Connell, Chairman
Bob Sipiorski, Treasurer
Brian Webb, Secretary
Barry Babler, Education
Curt Hoffman, Alternate
David Van Zeeland, Website
Judy Buhrandt, County Rep
Jim Zittlow, Town Rep

PIER PLANNING

The following information was taken from the August 2012 *Pier Planner*, Wisconsin Department of Natural Resources. (This edition of the *Pier Planner* reflects current Chapter 30 WI statutes and ch. NR 326, WI Administrative Code [the state's rules that implement the statute], and is intended to assist waterfront property owners to design and place a NEW pier that does not require a DNR permit. All EXISTING piers and wharves initially placed in the water by April 2012 **do not need authorization from the DNR**.

Where Can I Locate my Proposed Pier and How Many Boats Can I Plan on Docking?

The number of boat slips--the total of all watercraft docked at a pier or wharf including boats in a boat lift or hoist--is limited to two boat slips for the first 50 feet of the riparian owner's shoreline frontage and no more than one boat slip for each additional full 50 feet of shoreline. In addition to the boat slip allowance listed here, a riparian owner can secure up to two personal watercraft for the first 50 feet of riparian owner's shoreline frontage and one additional personal watercraft for each additional full 50 feet of shoreline.

There has been some concerns voiced around the lake that some cottages have too many watercrafts docked for the amount of water frontage. Please make sure you read the above information to see if you comply with the DNR regulations.

2020 BOARD MEETING DATES

All meetings are held at the Community Center starting at 9 a.m.
February 15, 2020
May 2, 2020
May 30, 2020 (annual meeting)
July 18, 2020
October 17, 2020

LAKE DISTRICT SOCIAL GATHERING?

Many Lake Associations and Lake Districts around the State, besides having an annual meeting, also have an annual social gathering or picnic. Your District Board has entertained the idea of having a social/educational meeting in addition to our Memorial Day annual meeting. Before we take on the work to put on a picnic, we want to reach out to the Lake District members to get a feel for the level of interest in such an event.

The general idea that has been discussed is a Saturday event sometime in the fall. The main purpose would be to get to know your fellow Lake property owners better. We would also likely include some element of Lake management education as part of the event, but we would keep that portion short. Beverages and burgers/brats would be provided by the Lake District.

We need to hear from you whether you are interested in seeing this happen or have no interest at all. You can respond by dropping me an email at mconnell3095@gmail.com or by giving me a call at 920-660-2992.

Matt Connell, Board Chairman
